

VILLAGE OF LINCOLNSHIRE

RFQ# 16-01

CUMBERLAND DRIVE/LINCOLNSHIRE DRIVE DRAINAGE IMPROVEMENTS

QUESTIONS AND ANSWER REGARDING POSTED RFQ

Does the Village's GIS data include pipe sizes and invert elevations?	Yes, however the data will need to be field verified.
Has a drainage study or any modeling been done on the project area?	No.
The RFQ mentions other drainage issues in the project area. Where are those other drainage issues located?	To be determined/evaluated during the design phase.
