Category 3: Ages 11– 15 years of age

Category 4: Ages 16 and older

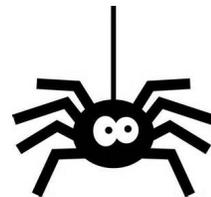

**\*\* Top prize awarded to each of the four categories \*\***

# Halloween Safety Tips

---

- Wear brightly colored clothing. Put glow-in-the-dark patches or strips on your costume so drivers can see you.
- Carry a flashlight and be sure to hold it so others see you.
- Make sure your costume fits. It's easy to trip on costumes that are too big.
- Make sure your costume lets you see and hear perfectly. You need to be able to watch and listen for cars.
- Go Trick-or-Treating with a grown-up. Never enter a stranger's home. Visit well-lit houses.
- Ask an adult to check your candy. Discard any open wrappers or candy without a seal.

A teal pumpkin in front of a house is a signal from participants of the **Teal Pumpkin Project** that they are also passing out non-food treats to trick-or-treaters, for children that may have food allergies. For more information about this program, please visit their website at:
