3.0 APPROVAL OF MINUTES

**3.1 Approval of the Minutes of the March 21, 2019 Meeting of the Park Board
(Village of Lincolnshire)**

The Park Board reviewed the minutes of the March 21, 2019 meeting. A motion was made by Mr. Fell, seconded by Mr. Campbell, to approve the minutes as presented.

4.0 RESIDENT COMMENTS AND REQUESTS

4.1 None

5.0 RECREATION

5.1 None

6.0 PARKS

**6.1 Consideration and Discussion of an Equipment and Material Storage
Facility to be Constructed in the North Park Maintenance Yard (Village of
Lincolnshire)**

Mr. Dittrich provided a brief overview of this agenda item to the Park Board. Mr. Dittrich explained that the covered storage was on the smaller side and was made out of sheet metal. Mr. Dittrich explained that this storage facility was in poor condition and had to be

demolished last year. Mr. Dittrich is proposing a new pre-fabricated 'L' shape structure that is built out of sheet metal. Mr. Dittrich gave more specific information to the Park Board regarding color options, dimensions, and surrounding vegetation.

Trustee Grujanac explained to Mr. Dittrich that she understands that this proposed storage facility will be screened by arborvitae but thinks that it is a pretty simple design and thinks that he may get some questions regarding what the difference would be if staff were to make it more like the current shed that is on the other side.

Mr. Brouillard asked Mr. Dittrich what will be stored in the new material storage facility. Mr. Dittrich said that the mini loader, tractor, attachments for the tractor, and miscellaneous materials. Mr. Dittrich explained how in the winter the mini-loader and tractor stay inside the garage but in the summer both pieces of equipment sit outside since they are constantly being used.

Chairman Borgerding asked Mr. Dittrich if this proposed facility is staying within the existing footprint of the yard and Mr. Dittrich said yes.

A motion made by Mr. Fell to recommend approval and have this placed on the consent agenda for review at the next Architectural Review Board Meeting. This motion was seconded by Mrs. Siegel with a suggestion that there could be a fun painting contest which would consist of painting the storage facility doors.

6.2 Consideration and Discussion of a Picnic Permit Fee Waiver Request (Lincolnshire-Prairie View School District 103)

Mr. Facchini told the Park Board that staff received a request from District 103 regarding a picnic permit fee waiver. District 103 would like to have a Picnic Permit for the 8th Graders at Daniel Wright School on Wednesday, May 22nd at North Park between 8:30am and 11:30am. District 103 would like to have the \$50 Picnic Permit Fee waived. Per the Village code, in order to get a fee waived the item must be brought in front of the Park Board and Village Board for approval.

A motion made by Mr. Fell, to approve the Picnic Permit Fee Waiver for Lincolnshire-Prairie View School District 103 for the 8th Grade Picnic and be forwarded to the Village Board for approval. This motion was seconded by Mrs. Siegel.

6.3 Consideration and Discussion of the Result of Lincolnshire Parks Survey (Village of Lincolnshire)

Mr. Facchini presented the Park Board with more information regarding the Results of the Lincolnshire Parks Survey, as requested by the Park Board at the March 21, 2019 meeting. Mr. Facchini explained that based on these results staff would like the Park Board to make recommendations on potential amenities for the Parks.

Mr. Fell asked Mr. Facchini if Florsheim Park were to consist of any type of Dog Park if there would be any parking nearby besides Parking at North Park or at the dead end at Elm. Mr. Facchini said that those two would be the only parking options.

Mr. Facchini explained that the most frequently mentioned amenities that are currently not offered in the Lincolnshire Parks are Splash Pad, Dog Park, and Paddle Ball Courts.

Mr. Fell said that he thought having a Splash Pad at North Park is a great idea if it is feasible.

Trustee Grujanac said that he would like to know the cost associated with a Splash Pad and what type of liability would go along with having a Splash Pad.

Mrs. Siegel said that it sounds like a great idea but Lincolnshire is not that big of a village and should focus on what they already have. Trustee Grujanac said that she agrees.

Mrs. Siegel said that she it sounds great and people love them but she isn't sure if Lincolnshire is big enough to afford an amenity like this.

Village Board and staff spoke about ideas of where Pickle Ball courts could be and the possibility of adding courts to the existing tennis counts.

Park Board requested that staff obtain information on costs related to constructing a Splash Pad at North Park. In addition, a request was made to research a location for a dog park.

6.4 Consideration and Discussion of the Use of North Park for Heros Night on August 23rd, 2019 (Village of Lincolnshire)

Mr. Dittrich explained that the Police Department is replacing National Night Out with Heros Night which is going to be a similar event. The Police Department is looking to expand and incorporate other groups into this event. Mr. Dittrich said that the Police Department is looking for the Park Board's approval to use the park on August 23rd, 2019 for this event.

A motion made by Mr. Fell, seconded by Mr. Campbell, to approve the use of North Park for Heros Night on August 23, 2019 and forward this request to the Village Board for approval.

7.0 UNFINISHED BUSINESS

7.1 None

8.0 NEW BUSINESS

8.1 None

9.0 ADJOURNMENT

9.1 A motion was made by Mr. Fell, seconded by Mrs. Siegel, to adjourn the meeting. The motion was approved by unanimous voice vote. Chairman Borgerding declared the meeting adjourned at 7:29 pm.

**REQUEST FOR BOARD ACTION
Village Park Board
June 17, 2019**

Subject:	Consideration and Discussion of a Name and Dedication Date for the Lincolnshire Downtown Pocket Park (Village of Lincolnshire)
Action Requested:	Approval of a Name and Dedication Date for the Lincolnshire Downtown Pocket Park (Village of Lincolnshire)
Originated By/Contact:	Bradford H. Woodbury, Public Works Director
Referred To:	Park Board

Summary / Background:

The construction of the Pocket Park located within the Lincolnshire Downtown area was completed in the fall/winter of 2018. At the direction of the Village Board, Staff engaged School District #103 students to solicit names by offering a survey to them which is attached for reference. Staff sought feedback from 4th graders at Half Day School to assist Village Staff in naming the newly constructed Pocket Park. Students were encouraged to vote for park names and provide their own ideas for park names. "Creekside Park" was the overwhelming favorite and top choice of the students polled.

Additionally, The Village is planning to hold a dedication event for this park on Monday September 9, 2019 at 6:00pm.

Budget Impact: None.

Service Delivery Impact:

The dedication and naming of this park is important part of the Village's history as well as the residents of Lincolnshire.

Recommendation:

Staff recommends consideration and approval of the above named park name and dedication ceremony date.

**REQUEST FOR BOARD ACTION
Village Park Board
June 17, 2019**

Subject: Discussion of the North Park Tennis Court Resurfacing Project (Village of Lincolnshire)

Action Requested: Discussion and Direction Related to the North Park Tennis Court Resurfacing Project (Village of Lincolnshire)

Originated By/Contact: Bradford H. Woodbury, Public Works Director

Referred To: Park Board

Summary / Background:

In March 2019, the Village Board approved a contract with Chicagoland Paving Contractors (Lake Zurich, Illinois) in an amount not to exceed \$40,000.00 to resurface the North Park Tennis Courts. This project was approved as part of the FY2019 Capital Improvement Plan. In early April 2019, Chicagoland Paving began to grind the tennis court surface, and in the process of grinding, the contractor discovered many areas of the tennis court lacked a sufficient subbase. The lack of subbase caused heaving and sinking throughout certain sections of the court. Below are photos of the courts after an initial grinding attempt by Chicagoland Paving.

The tennis courts were originally installed in 2003, and the entire area is in need of a complete resurfacing. Staff is waiting for dry weather conditions to allow a proof roll. Once a proof roll is performed, staff can better determine which areas of the court must be completely re-built.

Once the contractor can proof roll the area, they will provide a change order quote to repair and potentially re-build the tennis court surface. At that time, staff plan to bring a report to the Village Board which may require a supplemental appropriation once the additional costs incurred to complete the project are determined.

There are several options that should be considered in order to find a way moving forward which are as follows:

- Continue with the project and have Chicagoland Paving completely reconstruct the sub base and resurface the entire area. – *Anticipated Cost - \$80,000.00*

- Have Chicagoland Paving proof roll the areas and provide an alternate price to only reconstruct the sub base in areas that are needed. – *Anticipated Cost - \$60,000-75,000*
- Have Chicagoland Paving remove the existing court and apply turf to the area – *Anticipated Cost - \$50,000.00-\$60,000.00*

Another factor to be considered is the tennis court fencing. There is approximately 450' of fence at North Park. Staff estimates the cost to remove and dispose of the fencing to be between \$7,000-\$9,000.

Budget Impact:

The project budget originally included \$35,000 in account #51-22-86-1402. The anticipated cost to remedy the playing surface is expected to be \$20,000-\$40,000 over budget. Staff anticipates being under budget in the General Capital Parks Fund by the end of 2019 as a result of favorable bids received on projects/purchases to date.

Service Delivery Impact:

The current condition of the Tennis Courts is not acceptable for safety reasons and provides an aesthetic eyesore. The resurfacing of the tennis courts is critical to patrons that currently utilize the Tennis Courts at North Park.

Recommendation:

Consideration and Discussion of this project should include direction on either continuing with the resurfacing once a proof roll is completed and/or utilizing the area for a potential different use.

- Revised Quote to Completely Reconstruct and Resurface the Tennis Court Area

PREVAILING WAGE ACT NOTIFICATION TO CONTRACTORS

Pursuant to P.A. 96-0437, effective January 1, 2010, a public body that fails to provide written notice to its public works contractors that a project is subject to Illinois prevailing wage requirements is, itself, liable for interest, penalties and fines as stated under Section 4(a-3) of the Act. Failure by the public body to provide written notice does not relieve the contractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, to the extent applicable under the Act. This notice is being provided for the mutual benefit of you and the Village.

This contract may call for the performance or delivery of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"). The Act requires contractors and subcontractors, to the extent that the Act applies, to pay laborers, workers and mechanics performing services on public works projects no less than the "prevailing rate of wages" (hourly cash wages plus fringe benefits) in the county where the work is performed. Related to the Act, the Substance Abuse Prevention on Public Works Projects Act, 820 ILCS 265/1, et seq., requires contractors and subcontractors performing services on public works to have in place a written substance abuse program, which meets or exceeds the program requirements in this Act, on file with the Village.

As the prevailing rate of wages are revised by the Department of Labor and are available on the Department's official website, the revised prevailing rate of wages shall apply to this contract and the cost therefore shall be borne solely by the contractor.

To the extent that the Act applies, all contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping and submittal duties, including the Substance Abuse Prevention on Public Works Act. If the contractor determines that the Act does not apply to it, contractor shall—in lieu of certified payrolls—submit a letter stating that the Act does not apply to it and setting forth the reasons therefore.

ADDENDUM #1

February 20, 2019

TO ALL BIDDERS:

Please add the following section to page 26 of the bid specifications for the City of Evanston:

20. Completion:

"All work at Lovelace Park tennis court must be completed by June 14, 2019. In the event the work is not completed by this date, then in addition to any remedies available to the City, the Contractor will pay to the City the sum of \$750.00 per day for each calendar day beyond those dates, until completion of the work has been achieved. This payment is for liquidated damages, in addition to any other damages that may be incurred by the City, and not as a penalty. All such liquidated damages may be set-off against any moneys that may be due the contractor. "

Please indicate receipt of this addendum on the third page of the proposal document which contains the addendum section, and attach a copy of the addendum to your sealed bid.

Mr. Facchini

Due to a poor subgrade, the existing base fell apart after grinding off the surface of the tennis courts. Before replacing the surface the failed base needs to be excavated and replaced with new aggregate base. Shown below is our price for 2 different undercut options. Please provide us with your written approval by signing below and a formal change order if you would like the work to be completed at the prices shown.
