city escape
garden center & design studio

2025 Application Schedule

- Location: Within Village of Lincolnshire boundaries
- Season: May 1st - October 15th, 2025
- Herbicide Time of Application: Between dawn to dusk

Herbicide Products Being Used

We utilize EPA-registered products approved for residential areas:

1. Roundup Pro
    - 0.41% Glyphosate, N-(phosphonomethyl) glycine, in the form of its isoprpylamine salt
    - Labeled Application Rate: spot spray between 2-13 oz per gallon

Public Safety

These EPA-registered herbicides can be safely applied in residential areas. Residents may re-enter after application has dried.

Emergency Exceptions

Please note that in certain emergency situations, such as disease threats or natural disaster recovery efforts, advance notice requirements may be waived.
