

VILLAGE OF LINCOLNSHIRE

Hearts for Heroes Collection

The Village of Lincolnshire, in conjunction with the Vernon Area Public Library (VAPL), is collecting Valentine's Day hearts for local heroes like health care workers, veterans, mail carriers, and first responders. The Hearts for Heroes collection will be available at Village Hall and VAPL through February 6.

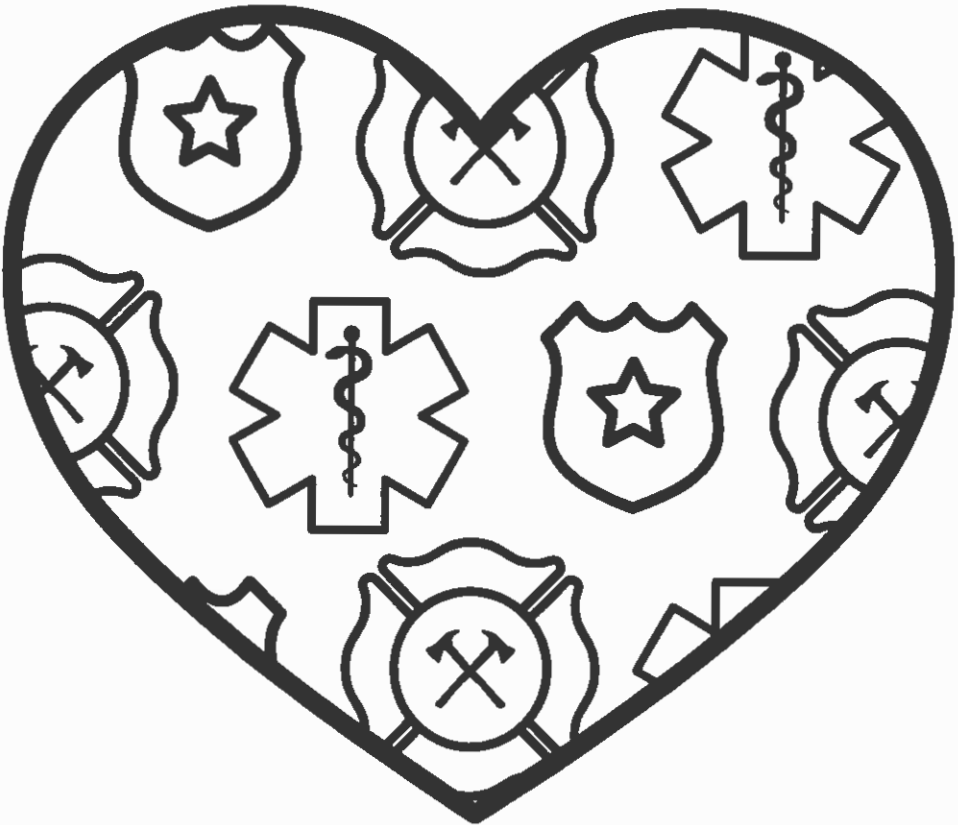

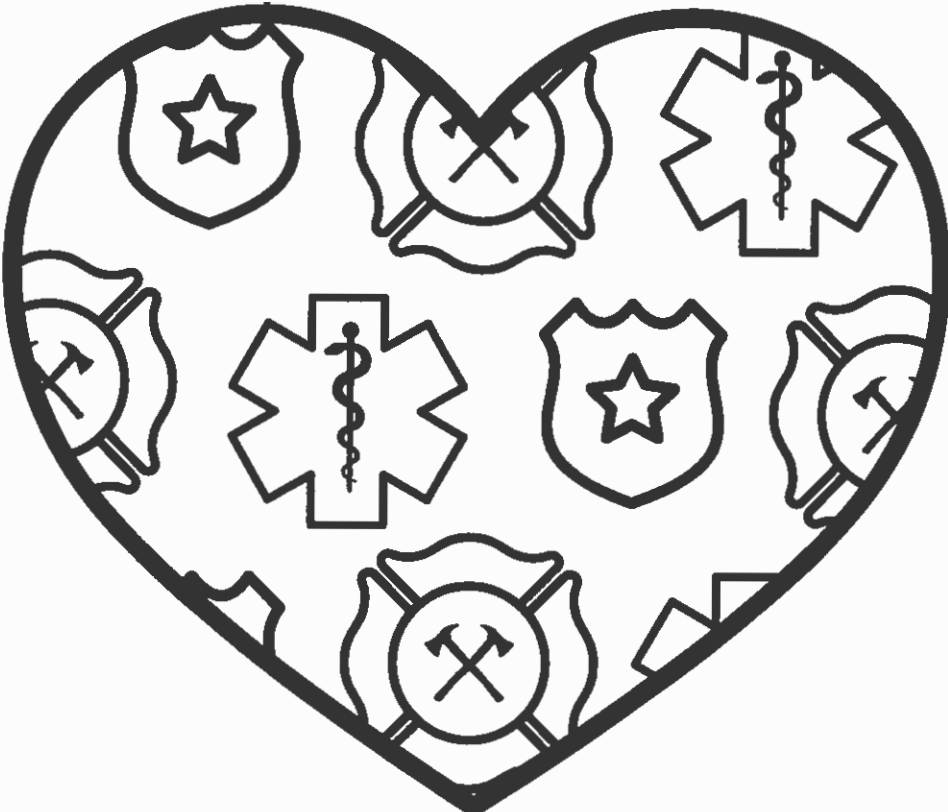

To participate, print the heart templates below, decorate them anyway you like, and drop them off in the collection bins located at Village Hall and VAPL. Copies of templates are also available at Village Hall and VAPL.

Remember, there is no right way to decorate your hearts; creativity is encouraged! Show your appreciation for our local heroes by making your heart unique.

Participation is free and there is no limit on the amount of hearts you can decorate. All hearts will be collected after February 6 and distributed by the Vernon Area Public Library.

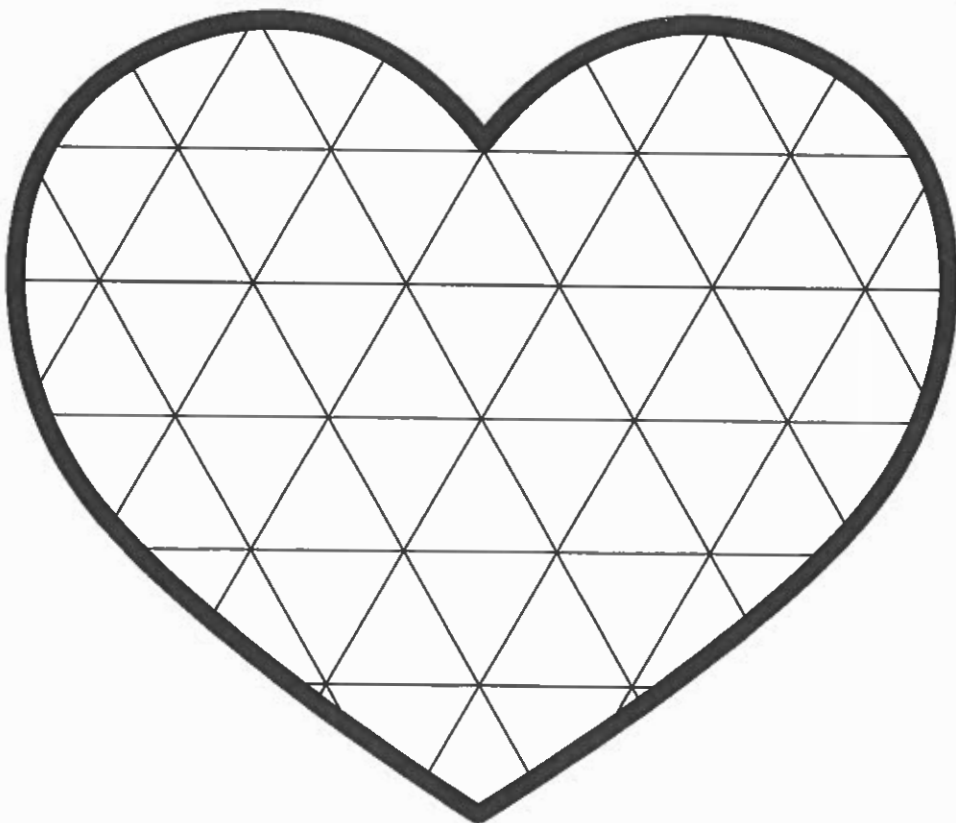

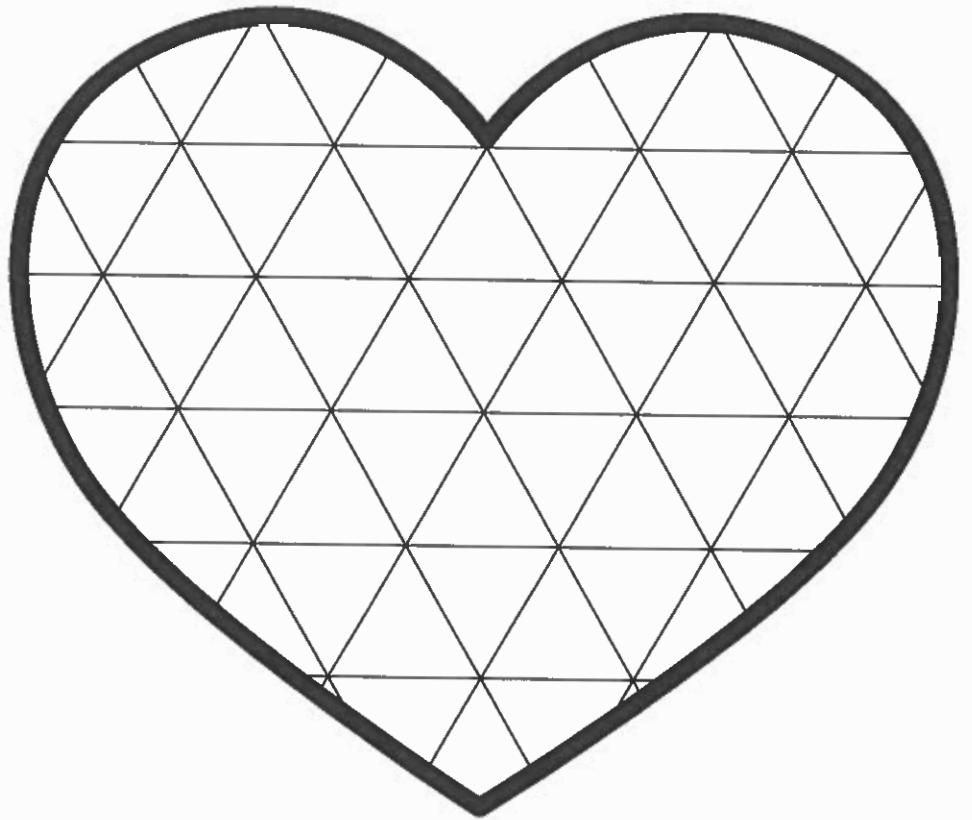

Feeling Grateful for First Responders

Decorate any way you like. Color in, glue on decorations, cut out, add a message to the front or back – whatever you want to do to make them special for the first responders who receive them!

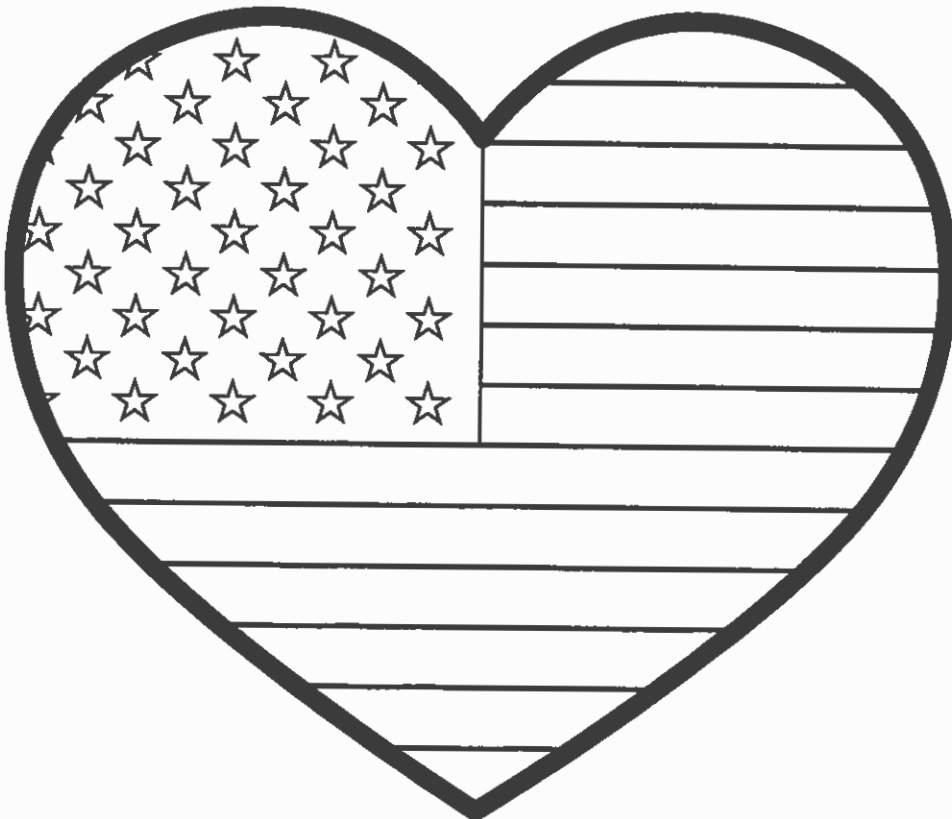

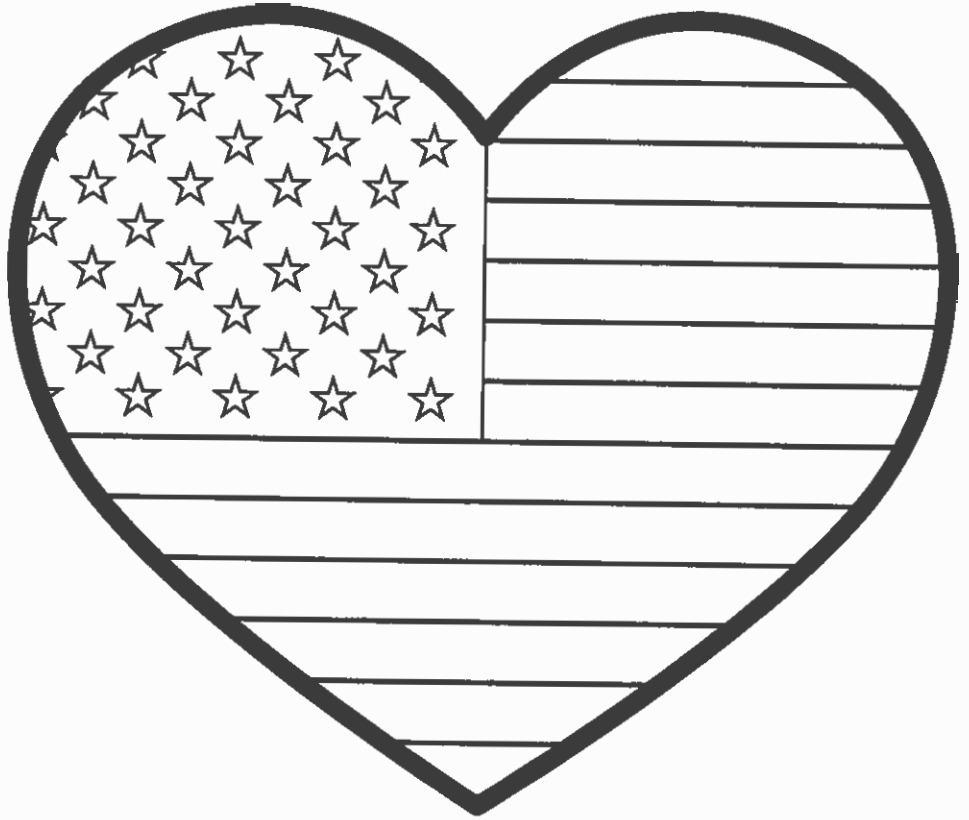

Hearts for Health Care Workers

Decorate any way you like. Color in, glue on decorations, cut out, add a message to the front or back – whatever you want to do to make them special for the health care workers who receive them!

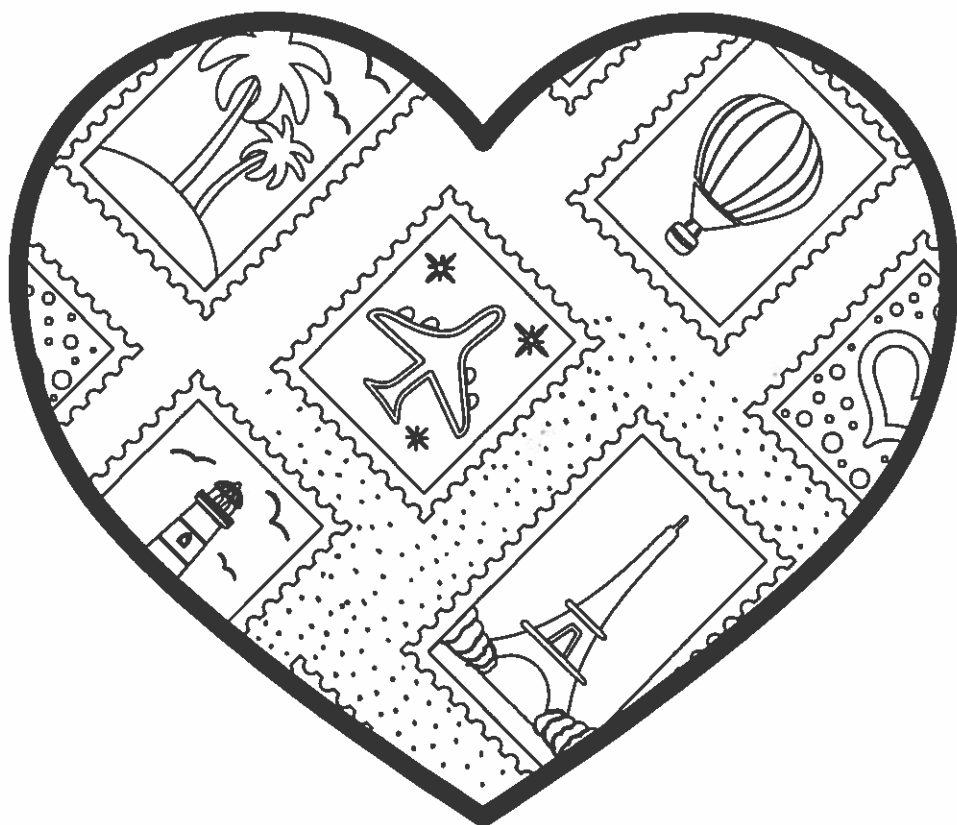

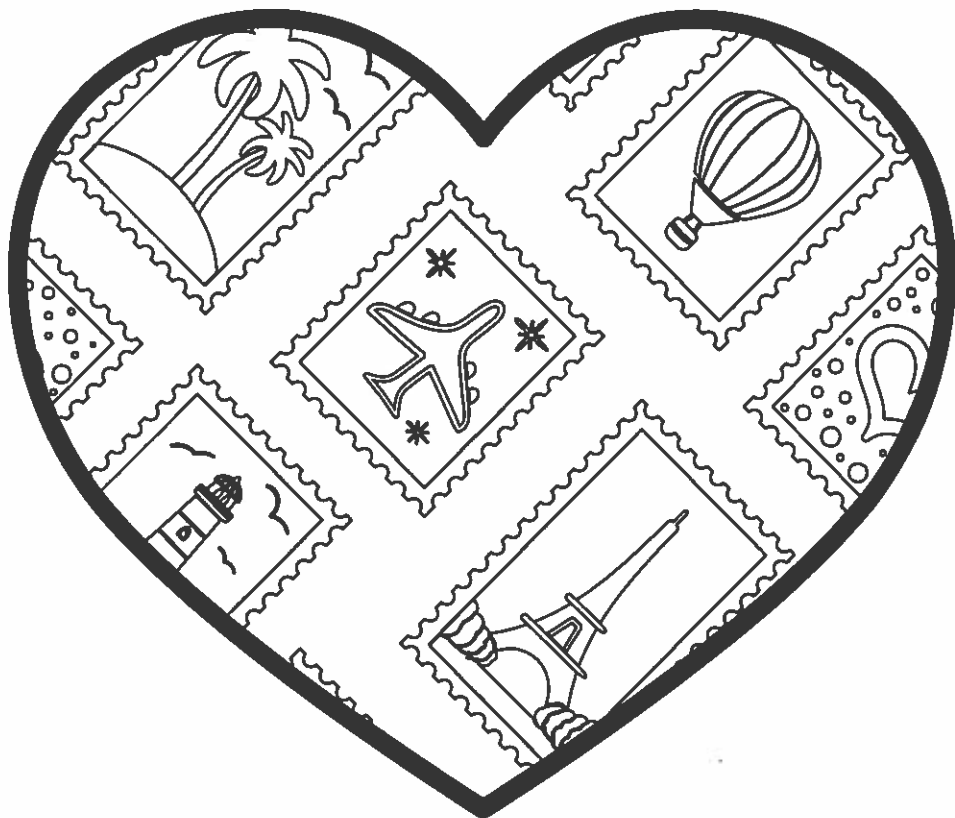

Valentines for Vets

Decorate any way you like. Color in, glue on decorations, cut out, add a message to the front or back – whatever you want to do to make them special for the veterans who receive them!

Messages for Mail Carriers

Decorate any way you like. Color in, glue on decorations, cut out, add a message to the front or back – whatever you want to do to make them special for the mail carriers who receive them!

Valentines

Decorate any way you like. Color in, glue on decorations, cut out, add a message to the front or back – whatever you want to do to make them special for the people who receive them!
