

DESIGNATED CONSERVANCY AREA MAINTENANCE POLICY
January 2012

Policy Statement

No sodding, seeding, or grading, either excavation or filling or otherwise shall take place within a designated conservancy area. Buildings or structures, either permanent or temporary, shall not be placed within a conservancy area. The removal or addition of any trees, brush, plant material, or coarse woody debris within these areas is prohibited unless prior approval is granted by the Environmental Services Supervisor.

It shall be unlawful for any persons to store yard wastes, including but not limited to grass clippings, compost piles, or firewood in any conservancy or buffer area.

Disturbed conservancy areas shall be immediately restored in accordance with the conservancy area restoration guidelines outlined in the Lincolnshire Village Code upon written request from the Village.
