Property Owner:
Address:

LINCOLNSHIRE VILLAGE CODE SECTION 6-11-2(A)(6)(i) REQUIREMENTS

Please be advised that the undersigned constitute all the owner(s) or record of the above-described real estate with the full right to sign this Decommissioning and Maintenance Plan and bind said real estate, and that I/we fully understand and acknowledge the following code requirements as they pertain to Electric Vehicle Charging Station operations and maintenance on said real estate:

1. I/we agree to maintain all equipment in good condition free of wear and tear.
2. I/we agree to remove any inactive equipment from the subject property where an electric vehicle charging station was installed within 90 days of said equipment becoming inactive (except for periods of maintenance and repair).
3. I/we agree to restore the site and parking spaces to their original condition following equipment removal.
