The following electronic items can be recycled through SWALCO at the designated drop-off locations:

Printers	Scanners	Portable digital music players	Cable receivers
Computers	Fax machines	Video game systems	Digital converter boxes

DISPOSING OF HOUSEHOLD HAZARDOUS WASTE

SWALCO (Solid Waste Agency of Lake County) offers free HHW collections for residents. Mobile Collection Events are held at various locations throughout Lake County from April through November. Year-round HHW drop-off is available at SWALCO's facility in Gurnee multiple times per month - by appointment only. Schedule your appointment at www.swalco.org or call (847) 336-9340.

DISPOSING OF LATEX PAINT

Today's latex (water-based) paint has a very low level of toxicity. Since disposing of it at large household hazardous waste collection sites is very expensive, the IEPA encourages the following method to dispose of unwanted latex paint:

- Use an absorbent like shredded paper, sawdust, kitty litter or corn husks. Depending on how full the can is, add the absorbent to the can and mix it up. When the liquids are absorbed, dry the mixture out and then dispose of it with regular waste. You may also be able to empty the can, dry it out and recycle the can. © 2003 Illinois EPA Agency

LEAF COLLECTION

Waste Management will make three leaf collections in Lincolnshire. Leaves should be raked to the curb or to the edge of the pavement and be no more than 3 feet in width. Leaves should not block culverts or storm sewer openings as this could pose drainage problems in heavy rains or snow. Collection will be for leaves only - no other debris like cans, paper, rocks, logs, brush or construction materials are allowed as these items could damage equipment or cause injury to our employees. Occasionally, poor weather may slow the leaf collection process. After the vacuum truck makes its final run through a neighborhood, it does not return to collect additional leaves. Please visit www.lincolnshireil.gov for leaf collection program dates and additional information.

Please do not put leaves in the street. Leaves must be placed in the parkway by 7 a.m. on the monday of scheduled pickup week to guarantee collection.

CHRISTMAS TREES

Christmas trees will be collected during the month of January at no additional charge from all residential households. All decorations, stands, tinsel/garland, etc. must be removed from trees in order to be collected. Do not place trees in plastic bags. Trees in plastic bags will not be collected.

BULK ITEMS

Waste Management will collect bulk items at no additional charge. Place your bulk item at the curb on the same day as your regular trash collection.

- A bulk item is a piece of furniture or residential item that is too large for a container, or small amounts of construction materials and carpeting (cut into 4-foot bundles).
- Please limit the size of your bulk item to no more than 50 pounds and no longer than 7 feet.
- Construction debris, automobile parts, large items, large quantities of construction materials, concrete or landscape waste are not considered bulk items.
