VILLAGE OF
LINCOLNSHIRE

PROJECT NOTICE

DATE: December 6, 2022
TIME: On-going
LOCATION: 350 Brampton Ln, 358-380 Stafford Ct, 324-342 Brampton Ct., Farrington Circle, 412-414 Farrington Dr

Dear Resident:

The Village of Lincolnshire Public Works Department is in the process of studying the stormwater drainage systems in the above referenced locations to determine if any drainage improvements are necessary. The fieldwork will be performed by staff from Gewalt Hamilton Associates of Vernon Hills, IL. These consultants may periodically enter your front or rear yard to collect data and assess the stormwater drainage features in the area. We appreciate your cooperation and understanding so this work can be completed in a timely manner. Once an initial evaluation has taken place, the Village will host a virtual meeting to inform residents of the planned work and answer any questions. Additional information, including meeting details, will be mailed out to you and posted on the Village's website at https://tinyurl.com/4unw3sts (or scan the QR Code below) once it is available.

If you have questions about this project, please contact Public Works at 847-913-2380.

Sincerely,

Village of Lincolnshire
Public Works Department
