PUBLIC WORKS DEPARTMENT

FOURTH OF JULY FIREWORKS DISPLAY SERVICES

ADDENDUM #1

September 17, 2026

1. Page 1, Proposal Notice & Page 15, Section I.B.1 (Duration and Timing of Displays) shall be revised as follows:

The Village of Lincolnshire is seeking separate proposals for a 5-year agreement to provide a minimum of 20-25 minute fireworks display, to take place on Sunday, July 4, 2027, Tuesday, July 4, 2028, Wednesday, July 4, 2029, Thursday July 4, 2030 and Friday July 4, 2031."

2. Page 15, Section I.B.1 (Specifications for Fireworks Displays) shall be revised as follows:

Duration and Timing of Displays. The Contractor shall provide at a minimum a 20-25 minute, continuous aerial fireworks display at the designated location with no delays between firing.

3. Page 17, Section III.B.2 (Detailed Shell Inventory) shall read as follows:

- **Color Pyrotechnic Shell Sizes:** All aerial color pyrotechnic shells must be 5”, 6” or 8” in diameter to ensure adequate elevation, visibility, and clearance

over the site's existing tree canopy. Color shells smaller than 5" will not be considered for the proposal

- **3" and 4" Shells:** Shells measuring 3" and 4" shall be strictly limited to **salutes only**.

- **Low-Level Products:** Low-level barrage products that do not clear the surrounding tree height shall not be utilized as substitutes for required aerial shells.

Sincerely,

Village of Lincolnshire
Bradford H Woodbury,
Public Works Director
