PREVAILING WAGE ACT
NOTIFICATION TO CONTRACTORS

Pursuant to P.A. 96-0437, effective January 1, 2010, a public body that fails to provide written notice to its public works contractors that a project is subject to Illinois prevailing wage requirements is, itself, liable for interest, penalties, and fines as stated under Section 4(a-3) of the Act. Failure by the public body to provide written notice does not relieve the contractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, to the extent applicable under the Act. This notice is being provided for the mutual benefit of you and the Village.

This contract may call for the performance or delivery of a "public work" within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"). P.A. 96-0437 requires contractors and subcontractors, to the extent that the Act applies, to pay laborers, workers, and mechanics performing services on public works projects no less than the "prevailing rate of wages" (hourly cash wages plus fringe benefits) in the county where the work is performed. Related to the Act, the Substance Abuse Prevention on Public Works Projects Act, 820 ILCS 265/1, et seq., requires contractors and subcontractors performing services on public works to have in place a written substance abuse program, which meets or exceeds the program requirements in this Act, on file with the Village.

As the prevailing rate of wages are revised by the Department of Labor and are available on the Department's official website, the revised prevailing rate of wages shall apply to this contract and the cost therefore shall be borne solely by the contractor. The most current prevailing rate of wages can be found here:

https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Rates.aspx

To the extent that the Act applies, all contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage, notice, and record keeping and submittal duties, including the Substance Abuse Prevention on Public Works Act. If the contractor determines that the Act does not apply to it, contractor shall, in lieu of certified payrolls, submit a letter stating that the Act does not apply to it and set forth the reasons therefor

If this bid is accepted, the bidder will be responsible for all errors in the proposal resulting from failure or neglect to comply with these instructions, and for any anticipated profits resulting from such failure or neglect.

2. **Preparation of Proposal:** The bidder shall submit the proposal on forms furnished by the Village. All writing shall be in ink or typewriter, except the signature of the bidder shall be handwritten with ink. A proposal made by an individual shall be signed by the bidder or a duly authorized agent. A proposal made by a partnership shall be signed by one partner or by a duly authorized agent thereof. A proposal made by a corporation shall be signed by an authorized officer or duly authorized agent of such corporation.

3. **Bidder's Statement of Competency:** The bidder shall submit with the proposal a satisfactory statement of competency to perform the work contemplated in the form of a signed letter addressed to the Village. 4. **Delivery of Proposal:** The proposal shall be placed in a sealed envelope plainly marked to indicate the project name, its contents, and the bidder's name and address. If the proposal is received after the opening of bids, it will be returned to the bidder unopened. The bidder is solely responsible for delivery of its proposal on time.

5. **Opening of Proposals:** Proposals will be opened and read publicly at the time and place designated in the Notice to Contractors. The Village reserves the right to hold a closed bid opening with the recording being available per the instructions in the Notice to Bidders. The Village will not accept any unsolicited information regarding the proposals after the bid opening, but reserves the authority to request supplemental information meant to clarify any ambiguities in a proposal.

6. **Rejection of Proposals:** The Village reserves the right to reject a bidder's proposal for any of the following causes:

    6.1 Developments or information discovered subsequent to the bid opening which in the Owner's opinion would reasonably be construed as affecting the competency or responsibility of the bidder.

    6.2 Conviction of a violation of State or Federal law, or rule or regulation of a State or Federal agency, relating to or reflecting on the competency of the bidder for performing the work contemplated.

6.3 More than one proposal for the same work from an individual, partnership, or corporation under the same or different names, or evidence of collusion among bidders.

6.4 Proposal contains omissions, erasures, alterations, unauthorized additions, conditional or alternate bids, or irregularities of any kind which tend to make the proposal incomplete, indefinite, or ambiguous as to its meaning.

6.5 Proposal form is other than furnished by the Village.

6.6 Proposal is not accompanied by a proper bidder's statement of competency.

6.7 Lack of qualifications as revealed by the bidder's statement of competency.

6.8 Uncompleted work which in the judgement of the Village might hinder or prevent the prompt completion of additional work if awarded.

6.9 The bidder's history of performance or nonperformance on prior projects for the Village.

7. **Award of Contract:** All bids will remain firm for 90 days after the bid opening. The Village reserves the right to reject any or all bids or to accept any bid, which in the Village's judgment, will be in the best interest of the public or to waive any informalities in bidding. In determining the lowest responsive and responsible bidder, the Village further reserves the right to combine or separate or delete any section of work or alternates or items in the bid if it is in the best interest of the Village. Only bids in compliance with the provisions of the contract documents will be considered. No bids shall be withdrawn after the opening of the bids for a period of 90 days after the bid date opening.

8. **Insurance Requirements:** The Contractor shall secure and maintain such insurance from an insurance company authorized to write commercial general liability insurance in the State of Illinois to protect against claims for bodily injury, death, or property damage which may arise from the project. The insurance policy shall name the Village as an additional insured, and Contractor shall submit a certificate of insurance or certified copy of the insurance policy with the Village. The insurance shall cover the following:

9. **Failure to Execute Contract:** Failure on the part of the successful bidder to execute a contract within 15 days after the date the contract was mailed or otherwise delivered, will be just cause for annulment of the award. If the Village fails to execute the contract agreement within a reasonable time, not to exceed 90 days after receiving the executed contract agreement from the successful bidder, the Contractor shall have the right to withdraw his proposal.

10. Indemnification

10.1 To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless the Village and its officers, agents, and employees from and against claims, damages, losses, and expenses, including but not limited to attorney's fees, arising out of or resulting from performance of the work, provided that such claim, damage, loss, or expense is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the work itself) including loss of use resulting therefrom, but only to the extent caused in whole or in part by negligent acts or omissions of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether such claim, damage, loss, or expense is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to party or person described in this Paragraph 10. The Contractor shall further indemnify, defend, and hold harmless the Village and its officers, agents, and employees from and against any claims, damages, losses, and expenses, including but not limited to attorneys' fees, resulting from Contractor's breach of the Contract.

13. Payment and Holdback: The Village approves invoices on the second and fourth Mondays of each month. All invoices must be submitted for payment one week prior to each board meeting which generally fall on the second and fourth Mondays of each month. 16.2 Inspection/Re-inspection Procedure: the Village will inspect or re-inspect the work upon receipt of notice that the work, including inspection list items from any earlier inspections, has been completed, except items whose completion has been delayed because of circumstances acceptable to the Village. Upon completion of inspection or re-inspection, the Village will prepare a notice of final acceptance, or advise the Contractor of work that is incomplete or obligations that have not been fulfilled but are required for final acceptance.

17. Liens/Waivers: The Contractor shall submit, in a timely manner, a waiver of lien for each and every item of equipment procured or installed under this contract. No payments shall be made to the Contractor until all necessary waivers of lien are submitted to the Village.

18. Warranty: The Contractor shall guarantee that the materials, merchandise and workmanship incorporated into the work are of the highest quality in every respect and that it will make good any defects in materials or workmanship which may develop within one year from the date of final acceptance, at no cost to the Village.

Contractor shall assign to the Village, to the fullest extent permitted by law, all warranties provided by original equipment manufacturers for materials incorporated into the work or provided in the performance of the Contract.

If defects appear due to faulty workmanship or materials within the warranted period, the Contractor will upon receipt of notice thereof repair or replace same without charge to the Village. All non-warranty services furnished by the Contractor after installation and acceptance will be provided by the Contractor at the prevailing rate of wages for the trade required. The Contractor will provide such service through its own mechanics and Subcontractors and shall charge only the effective rate. Replacement merchandise and parts other than those furnished under warranty shall be provided at the same rates as the basic products sold under these General Conditions.

In the case of any work performed in correcting defects pursuant to the guarantees provided for by the Contractor, the guarantee period shall begin anew from the date of the notice of acceptance of the repair work.

The foregoing remedies shall not deprive the Village of any action, right, or remedy otherwise available for breach of any of the provisions of the Contract Documents by the Contractor and the periods referred to above and shall not be construed as a limitation on the time in which the Village may pursue other action, right, or remedy.

19. Discrepancies: Any discrepancies between drawings and the plans and specifications shall be subject to interpretation by the Village of Lincolnshire as Owner, in its sole discretion. The Contractor shall immediately, upon finding any discrepancy, request an interpretation from the Village.
