

2023  
**VILLAGE OF LINCOLNSHIRE  
LEAF COLLECTION**

**MONDAY, OCTOBER 23 – FRIDAY, DECEMBER 1**

Fall leaf collection is back! The Village of Lincolnshire, in partnership with LRS, is proud to bring back the fall leaf collection program, providing you with services each week for six weeks! More information is available on the Village website ([www.LincolnshireIL.gov](http://www.LincolnshireIL.gov)), in the weekly E-News, and on the Village's Facebook and Twitter.

**Did you know?** Lincolnshire traditionally averages more than 6,000 cubic yards of leaves per season!

Leaves must be raked within three feet of the curb by 7 a.m. on Monday of each collection week to ensure they are collected. Do not rake leaves into the street or place next to mailboxes. Leaves blocked by vehicles will not be collected. Leaf collection may not occur the same day as your garbage collection.

Due to the limited reach of the vacuum truck, please rake leaves as close to the street as possible. Leaves piled in storm sewer openings or culverts may create drainage problems in the event of heavy rains or melting snow. Do not mix brush, garden waste, tree limbs, vines, lumber, or other foreign materials with the leaves. These items should be placed in the weekly curbside composting pickup.

An annual charge of \$36.99 will be added to your 4th quarter invoice for leaf collection.

Residents with questions or concerns should contact LRS at 844.NEED.LRS.
