VILLAGE OF LINCOLNSHIRE

FALL

CityPark Sold

Significant Upgrades & Leases in the Pipeline

CityPark, a 79,000-square-foot lifestyle center built in the early 2000s, was acquired in July by KennMar, an Indiana-based real estate group. KennMar plans to make significant upgrades to façades, landscaping, and other property features to the multi-tenant retail/office buildings at 255 and 275 Parkway Drive, as well as the building at 295 Parkway Drive (formerly free-standing Red Robin). KennMar has several new leases on the horizon. Existing tenants include Chipy Café, Liquid Fusion, Skinfo, Roosters Men's Grooming Center, Advanced Dermatology, EyeSee, Get It Straight, Catlynn's Nails and Spa, and FedEx.

Kicking Off September with a Comprehensive Plan Update

The Village retained Teska Associates, a prominent planning consulting firm, to update the Village's 2012 Comprehensive Plan. With significant community input and engagement, Teska will help create a unifying vision and implementation strategy for Lincolnshire to guide development over the next 10 years. In partnership with Village staff and with guidance from the Village Board, Teska will implement a broad public engagement campaign to ensure residents, business owners, schools, and other local stakeholders have the opportunity to be heard. Public input and consultant research will inform land use, economic development, sustainability, and other focus areas recognizing Lincolnshire's unique character while managing future growth. The Comprehensive Plan is scheduled for completion and adoption in the fall of 2023. Stay tuned for updates and announcements by subscribing to the Village's E-News and Business Spotlight publications!

Future-Focused 2023 Budget Frequently Asked Questions

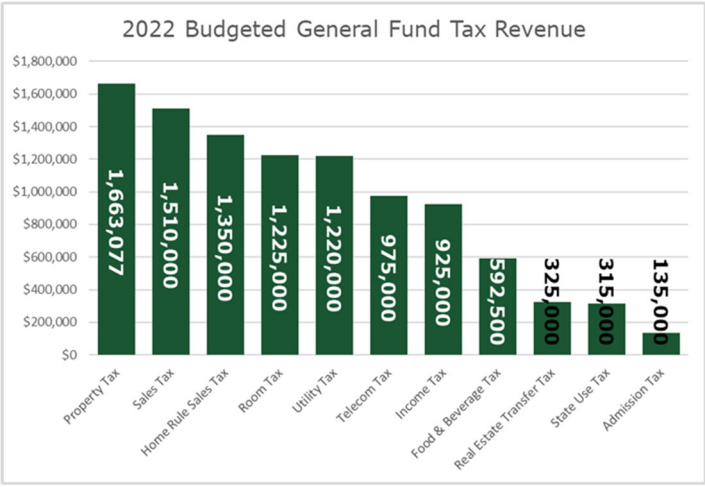
How Does Lincolnshire Create a Fiscal Budget?

The Village of Lincolnshire is in the process of composing its Fiscal Year 2023 Budget. The Budget process began in July when staff presented the 5-Year Financial Forecast to the Village Board. Staff subsequently presented the 10-Year Capital Improvement Plan in August. Future steps include the compilation of operating expenses, updating key performance indicators, goal setting, and budgeting for revenue. The Fiscal Year 2023 Budget will go into effect on January 1, 2023.

Are My Property Taxes Paying for all Village Services?

The Village is responsible for providing countless services to its residents and businesses including police protection, snowplowing, park maintenance, road maintenance, water service, community events, permitting, storm water management, and much more. To provide these services, the Village needs proper personnel and equipment. How does it all get funded?

You may be surprised to learn that the Village receives less than 3% of your total property tax bill. The remaining 97% of your property taxes are allocated to other, independent agencies, with over 70% going directly to the school districts in Lincolnshire. Over 80% of the revenue used for general Village services comes from other tax sources including sales tax, income tax, room/admission tax, and more. The remaining revenue is derived from sources like licenses and fees, fines, grants, and investment earnings.



Is There an Easy-to-Read Summary of Lincolnshire's Finances?

Yes! Lincolnshire is proud to announce the issuance of its inaugural Popular Annual Financial Report (PAFR). The PAFR is a financial document that is meant to summarize the data from the Village's Annual Comprehensive Financial Report (ACFR) into a format that removes technical terms and communicates the most important information you care about. Scan the QR Code to read the PAFR.

Experiencing Domestic Violence? We're Here to Help

Domestic violence can happen to anyone and is the leading cause of injury and seventh leading cause of death for women in the United States. According to the U.S. Department of Justice, domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. The Lincolnshire Police Department treats domestic violence calls as high priority, life-threatening situations and are specially trained on how to approach and interact with victims. To report an incident to Lincolnshire Police Department non-emergency number, call 847-883-9900. If it's an emergency,
call 9-1-1.

Resources

If you or someone you know may be a victim of domestic violence, visit asafeplace.org.
A Safe Place is the sole provider of services exclusively addressing domestic violence and human trafficking in Lake County.
24-Hour Crisis Line: 1-847-249-4450 or 1-800-600-SAFE
Main Office: 847-731-7165

For additional resources and guidance, visit the Lake County States Attorney's Office website, or contact the National Domestic Violence Hotline and 1-800-799-7233 or TTY 1-800-787-3224.

Navigate Social Media Concerns with Your Children

According to the American Academy of Child & Adolescent Psychiatry, 90% of surveyed teens between 13 – 17 years old have used social media, with 75% having at least one active social media profile. While there are various benefits of utilizing social media, they also come with potential dangers such as cyber-bullying, online predators, and stealing private information. Below is a list of safety tips for parents to mitigate possible hazardous risks to their children:

- Have all home computers and laptops in a central area of the home.
- Charge all Internet capable devices in an adult's room overnight.
- Educate your children about the risks of identity theft, phishing scams, and viruses.
- Know your child's phone password.
- Randomly inspect devices that access the Internet.
- If you're unsure of an application on the device, open it, inspect the content, and have an open dialogue with your children about your concerns.
- Apple and Android mobile devices are capable of parental controls, which allows parents to restrict applications to age-appropriate applications for children.

If at any time you become concerned with the content of your child's phone, do not delete the information, and call the Lincolnshire Police Department.

Expanded Fall Leaf Collection Season Begins October 24

You asked, we listened! The Village prioritized improving and increasing services while reducing your costs as part of the new LRS waste hauling contract. The annual 6-week curbside leaf collection season for eligible households begins the week of October 24 and ends the week of December 2.

Changes to the Leaf Collection Program:

1. ALL eligible neighborhoods are serviced EVERY week during the 6-week leaf collection season. Previously, the west and east sides of the Village were serviced on alternating weeks.
2. The season begins and ends later than in previous years.
3. Leaf collection costs are $36/year. All LRS customers under the Village's contract are assessed this fee. Previously, customers paid WM approximately $60/year for leaf collection

To ensure the best leaf collection experience, follow these simple tips and reminders:

Leaf Collection DOs:

√ Rake leaves to the curb by Monday at 7 a.m. each week during collection season. Collection may not necessarily occur on the same day every week.

√ If you have a landscaper, discuss your options and notify them of the leaf pickup schedule before the season begins. Some landscapers may charge up to $20/week extra to haul away leaves. You may experience a net-savings because of the Village's leaf collection program by simply asking your landscaper to place leaves along your parkway and not haul them away.

Leaf Collection DON'Ts:

X Do not place leaves in the street. This creates hazardous driving conditions, clogs storm sewers causing localized flooding, and violates the Village Code.

X Do not mix brush, garden waste, tree limbs, vines, or other yard waste with the leaves. These materials can lead to equipment failure and/or injury and must be properly disposed through the Village's weekly curbside composting program.

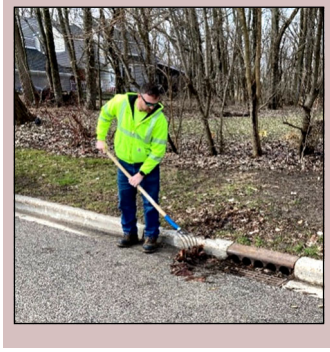
X Do not block access to the leaves with cars or other obstructions. If the truck/ vacuum cannot access the leaves, they cannot remove them.

Residents are responsible for disposal of any leaves after the last pickup date by either working with a private landscape contractor or utilizing the normal curbside composting/yard waste collection program, which runs through December 14, 2022.

For more information about the Village's leaf collection program, scan the QR Code.

When it Rains, Check Your Drains

After heavy rains, check the storm sewer grates by your home. Grates clogged with leaves and trash can lead to localized road flooding. During intense rain events, Public Works crews work to keep them clean, but it does not take much to clog a grate and cause issues. Please help avoid these issues on your street and remove the debris away from the grate.



If the debris is too large or you observe any road flooding:

Call Public Works (M-F 6:30 a.m.- 3 p.m.): 847-913-2380

After-Hours, call Non-Emergency Police: 847-883-9900

Submit a Service Request:
www.bsaonline.com/CitizensRequestForAction/Submit?uid=2490

Avoid the Fine!
Relocate Your Sump Pump Discharge

#

Residents are required to redirect sump pump discharges from the street to their rear yard between November 1 and April 1 each year. Sump pumps discharging into the street can cause ice buildup, create safety hazards for motorists and pedestrians, and damage the roadways and snow removal equipment. Violators may receive fines.

Inaugural Curbside Composting Season Ends December 14

The Village's expanded curbside composting program (food and yard waste collection) for eligible residents ends Wednesday, December 14, 2022. Between April-July, 66.5 tons of organic waste was diverted from local landfills by Lincolnshire residents.

The program resumes Wednesday, April 5, 2023. All food/yard waste bags and containers must have an LRS sticker affixed to them for collection – unless you are enrolled in an annual subscription. Unused LRS stickers do not expire and can be used next year. #

For more information about the Village's Curbside Composting program, scan the QR Code.

Endangered Monarch Butterflies Find a Home in Lincolnshire

The Board of Trustees, Village staff, and Lincolnshire Garden Club collaborated throughout the summer to fulfill the National Wildlife Federation's Mayors' Monarch Pledge commitments, including:

⇒ June 13: Mayor Brandt issued a proclamation declaring the week of June 20 as National Pollinator Week

⇒ July 2: Lincolnshire Garden Club and the Village gave away pollinator seed packets and kitchen compost kits to Summer in the Shire concert attendees

⇒ July 27: After months of planning and coordination with the Public Works Department, the Lincolnshire Garden Clubs planted over 100 perennial pollinator flowers at Spring Lake Park! This site is now designated as a Monarch Waystation.

The International Union for Conservation of Nature officially designated the monarch butterfly, Illinois' State Insect, as an endangered species in July 2022. It is now more important than ever to help save this majestic creature.

COMMUNITY CALENDAR

Celebrate Your Community at Remaining 2022 Special Events

Summer may be over, but the fun will continue the rest of the year! Save the dates above for the remaining 2022 special events. Check the Village website closer to each event for more information. Contact Management Analyst Jack Cascone at jcascone@lincolnshireil.gov or 847-913-2331 to learn how your community organization can get involved!

Peggy Gaier Named Citizen of the Year

The Village Board of Trustees recognized Peggy Gaier as the 2022 Citizen of the Year. Peggy was selected for this honor as recognition of her 25 years of service as Red, White, & BOOM! Parade Chairwoman, as well as her service to many community organizations. Peggy first received this honor in 1998 and is the only known resident to be named Citizen of the Year twice. Congratulations, Peggy!

Join the 1st Riverside Foundation Oktoberfest 5k Run/Walk October 2, 2022 Half Day Brewing

This 5K is organized in support of the Riverside Foundation, Lincolnshire, IL. Join us for a run/walk through the beautiful neighborhoods of Lincolnshire and support Riverside's dedication to housing and enriching the lives of disabled adults since 1976. Their residents will cheer you on as you pass by the Riverside Foundation premises. Reward yourself after your run with our Oktoberfest post-race party!

Register at RaceRoster.com, search for "Oktoberfest 5k" and click on the Lincolnshire, IL option.

Lincolnshire Earns Higher Rating from Insurance Services Office

Lincolnshire's Building Code Effectiveness Grading Classification rating improved from a 5 to a 3 for residential properties, and from a 4 to a 3 for commercial/industrial properties earlier this year. The rating assesses building codes for individual communities and how those communities enforce their building codes. The lower the score, the better the rating! Lincolnshire last went through this evaluation of building codes and enforcement procedures in 2013. Insurance underwriters may or may not incorporate this new rating to reflect current insurance rates. Property owners are encouraged to contact their insurance companies to learn more, and/or shop for new policies.#
