VILLAGE OF LINCOLNSHIRE

SUMMER

Mayor Pledges to Save Monarch Butterflies

Lincolnshire's longstanding dedication to the environment is displayed through our mature urban forest and 35-year Tree City USA achievement, our sprawling parks and open spaces, and our commitment to save monarch butterflies and other pollinators through the National Wildlife Foundation's annual Mayors Monarch Pledge. Pollinators are essential to the health and continuation of our ecosystem. We're committed to issuing a mayoral proclamation recognizing the decline of the monarch butterfly and habitat, and coordinating a native plant giveaway with the Lincolnshire Garden Club. The best way you can contribute to our mission is by planting native, nectar-producing plants like milkweed. Together, we can raise awareness and save our pollinators!

Village Receives AAA Bond Rating from S&P

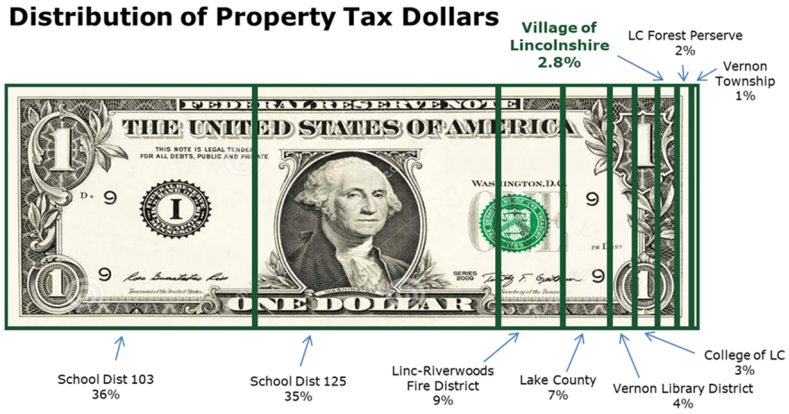
The Village is proud to receive a AAA long-term credit rating from Standard & Poor's (S&P) Global Ratings with stable outlook. AAA is S&P's most prestigious rating and signifies the Village has an extremely strong capacity to meet financial commitments. The AAA rating places Lincolnshire in a position to sell long-term bonds at the most favorable rate and decrease interest payments over the 30 -year life of the bond.

The rating will be applied to a $4 million General Obligation Bond Issuance in 2022. The Village will use the bond proceeds to fund the storm sewer infrastructure project on Windsor Court in 2023.

In 2019, the Village conducted a Village-Wide Drainage Study which identified four critical storm sewer infrastructure projects in the Lincolnshire Drive, Windsor Court, and Spring Lake Park areas. These projects have since been outlined in Lincolnshire 10-Year Capital Improvement Program and planned debt financing will be used to fund each project. Infrastructure improvements will provide additional capacity for storm sewer runoff and accommodate 10 year rain events; however, these improvements will not eliminate Des Plaines River flooding.

Know Where Your Property Tax Dollars Go

The Lake County Treasurer's Office mailed 2021 property tax bills which are paid in 2022. The $1,637,692 total taxes extended to the Village decreased by $6,726 compared to the prior year. The Village levies property taxes to cover expenses related to State-required employee pension funds and Lincolnshire police protection services. The 2021 Lincolnshire property tax rate stayed flat for the second straight year at 0.25 per $100 equalized assessed valuation. The Village previously kept its levy rate flat at 0.241 per $100 equalized assessed valuation from 2013-2019. The Village can keep its property tax rate low thanks to a strong commercial base and conservative fiscal policies. The dollar graphic represents how each dollar of property tax paid by a Lincolnshire resident is allocated for the 2021 tax year paid in 2022. Lincolnshire's local school districts receive 71% of every dollar a resident pays; whereas the Village receives only 2.8%. A home having a market value of $750,000 pays approximately $610 in property taxes to the Village, or $1.67 per day for municipal services (excluding fire protection).



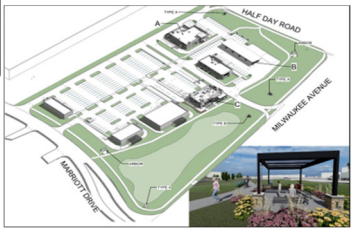
Welcome New Businesses

The Village is proud to welcome the following new businesses in Lincolnshire:

- **Illinois State Senator Adriane Johnson's Office**, 1 Overlook Point
- **INT**, a business services company, 175 Olde Half Day Road
- **JL Beauty and Permanent Makeup**, 175 Olde Half Day Road
- **SG Law**, 175 Olde Half Day Road

New Development Site One Step Closer to Becoming Reality on Milwaukee Avenue

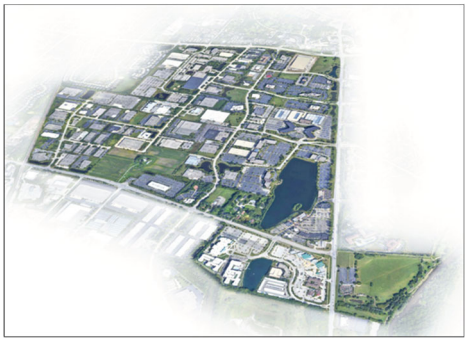
Buona Beef, Rainbow Cone Café, Thorton's Gas Station, and other retail/restaurant tenants are one step closer to developing the vacant 8-acre property at the southwest corner of Milwaukee Avenue/Half Day Road (225 Marriott Dr). The Village's Architectural Review Board and Village Board are conducting design review of the Phase 1 development plans for the northern portion of the site. Construction could begin in fall 2022. Phase 2 development plans will be submitted at a future date. Contact Tonya Zozulya, planning & development manager, at tzozulya@lincolnshireil.gov or 847-913-2313 with questions.



Lincolnshire Looks to Transform Development

To set a bold and exciting vision of what Lincolnshire could look like over the next decade, the Village will complete a holistic update to the Comprehensive Plan in early-2023. Last updated in 2012, the Plan will entail significant residential and business stakeholder input regarding critical development/redevelopment areas, economic trends, and how Lincolnshire can position itself as the preferred choice community in which to do business.

Additionally, the Village Board created a strategy to better regulate industrial/warehouse uses in the Corporate Center. The strategy is intended to limit the amount of large trucking facilities and inform the development community of how vacant areas of the Corporate Center could transform to better uses in the coming years. The Zoning Board will consider the strategy in June, followed by final approval from the Village Board.



Key Village Properties Available for Sale/Development

Several high-profile commercial properties are available for sale and development. Each property offers distinct opportunities for new development which would strengthen our business community and bring new services to the Village.

- The St. James Property (41 acres) – 90, 98, & 100 Half Day Road
- CityPark Center – 255, 275, 295 Parkway Drive
- The Fresh Market Building (20,000 sq. ft.) – 475 Milwaukee Avenue
- Quill Corporate Offices (30 acres) – 100 Schelter Road
- Lietzau Farm (26 acres) – 15730 Aptakisic Road

Commercial/mixed-use uses are desirable for The St. James property, CityPark, and the Fresh Market building, while office/warehouse proposals are more appropriate for Quill and Lietzau Farm. Village staff field calls daily regarding proposals for each property, as the development community is eager to do business in Lincolnshire. Contact Tonya Zozulya, panning & development manager, at tzozulya@lincolnshireil.gov or 847-913-2313 with questions.

Smile, We're on Camera

All Lincolnshire officers will wear a body worn camera on their uniforms beginning this summer. State law requires all enforcement agencies to deploy body cameras by 2025, but Lincolnshire purchased the cameras sooner in the interest of transparency, as well as citizen/officer safety. Under the new law, officer-worn body cameras allow police to collect evidence, gather information for training, and provide impartial documentation to settle allegations of officer misconduct.

School's – Out – For – Summer!

School may be out, but curfew laws still apply to youths under the age of 17 during the summer months. The Village of Lincolnshire's curfew ordinance follows current state law:

- Between 12:01 a.m. and 6 a.m. Saturday
- Between 12:01 a.m. and 6 a.m. Sunday
- Between 11 p.m. on Sunday to Thursday, inclusive, and 6:00 a.m. on the following day

Under Lincolnshire's code, parents or legal guardians are prohibited from permitting a person in their custody to violate any provisions of the curfew limitations.

Free "No Solicitors Invited" Window Clings

The Police Department now offers residents free "No Solicitors Invited" window clings. Residents can pick one up at the Police Department or Village Hall front counters.

Homeowners and occupants have the ultimate right to determine whether solicitors are invited into their residence or onto their property. Those who do not want solicitors on their property should clearly display a "No Solicitors Invited" sign.

The Village of Lincolnshire requires solicitors to obtain a Solicitor/Peddler Permit from the Police Department before initiating door-to-door sales. Authorized solicitors must wear a Village-issued vest and always carry a Village-issued identification card while performing door-to-door solicitation. Per Village Code, solicitors are only permitted to operate Monday – Saturday from 11 a.m. to 8 p.m. and are prohibited from operating on Sunday, as well as state and federal holidays.

Call the Lincolnshire Police Department at 847-913-2350 for any questions about active solicitors or the permit process. Residents should never invite a solicitor into their home or leave their home with a solicitor.

Crisis Outreach and Support Team (COAST)

The Police Department joined the Lake County Sheriff's Office Crisis Outreach and Support Team (COAST) to respond to individuals experiencing a mental health crisis and provide referral services. COAST – a County-wide, multi-jurisdictional response team – utilizes a "co-responder" model which pairs law enforcement with behavioral health specialists to de-escalate situations and help link individuals in need with appropriate services.

The Lake County Sheriff's Office, along with the Lake County State's Attorney's Office, are coordinating with the Living Room Wellness Center (LRWC) in Waukegan to allow all COAST member agencies the ability to drop-off individuals experiencing a mental health crisis for support from clinicians and behavioral specialists. LRWC provides a safe environment and support services.

The Lincolnshire Police Department assigned its first officer to the COAST team in April 2022. This officer will be assigned full-time to the team for two months each year and respond to mental health crisis calls within the jurisdictions of the COAST member agencies.

Summer Water Restrictions

The Illinois Department of Natural Resources restricts the amount of water withdrawn from Lake Michigan. Outdoor water usage is restricted in the Village from May 15 to September 15 between the hours of 1 p.m. – 7 p.m. Residents with even number addresses may only use water outside on even calendar days, and residents with odd number addresses may only use water outside on odd calendar days. The Illinois Department of Natural Resources restricts the amount of water withdrawn from Lake Michigan.

2022 Consumer Water Confidence Report

The Village is pleased to present its 2022 annual water quality report. This report contains important information about the source and quality of your drinking water based on data collected from January 1, 2021, through December 31, 2021. The report can be viewed online by scanning the QR Code. Contact the Public Works Department for a paper copy.

Construction Season Well Underway in Lincolnshire

Construction season is here and several projects are underway, including: Surrey Lane Drainage Improvement Project, Briarwoods/Durham Drainage Improvements, and Northampton Lane Water Main Improvements. The street resurfacing of Barclay Boulevard, Northampton Lane, Elsinoor Drive, Cornell Drive, and Reliance Lane are also underway.

Public Works staff are working to preserve and extend the life of the Village's infrastructure in various locations. These efforts include:

- Storm and sanitary cleaning and televising
- Roadway and pothole patching in residential and corporate areas
- Catch basin cleaning
- Fire hydrant painting
- Crack sealing
- Pavement marking

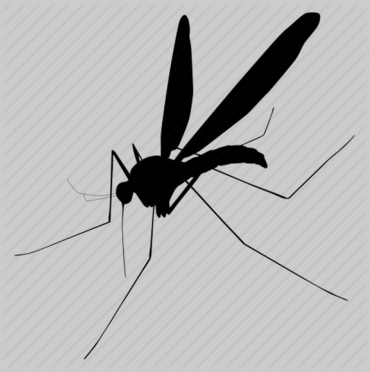
To stay up-to-date with the latest construction news, subscribe to the Village's weekly E-Construction Updates. Please scan the QR Code, or visit https://tinyurl.com/2p989y5h, and select "Construction Updates".

LRS Summer Service Reminders- Save the Dates!

1. **Curbside Composting**: Food & Yard Waste – Every Wednesday; April – December
   Lincolnshire's new curbside composting opportunity allows residents to combine food and yard waste into the same compost container or paper bag for weekly collection.
2. **Paper Shredding Event**- July 16; 9 a.m. – Noon
   The Village is pleased to provide this free paper shredding event at Village Hall. Paper shredding is open to Lincolnshire residents (ID required) and is limited to three banker's boxes worth of paper per vehicle. All documents are shredded on-site.
3. **Electronics Recycling**- August 20
   Eligible residents are required to submit an online request form no later than August 18 to ensure collection. Visit www.lrsrecycles.com/lincolnshire to schedule your e-waste pickup.

Fight the Bite This Summer

Clarke, the Village's mosquito abatement contractor, monitors the adult mosquito population in the Village and applies larvicide and spraying, when appropriate. To protect your family from mosquito bites and West Nile Virus this summer, remember to practice the "4 D's of Defense":



1. Drain: Drain items that collect standing around your home, yard, and business.
2. Defend: Defend yourself by using insect repellent when outdoors.
3. Dawn to Dusk: Protect yourself during these prime hours for mosquito activity.
4. Dress: Wear long sleeves, pants, and closed toe shoes when outdoors to cover your skin.

Residents are encouraged to report high mosquito activity/standing water and register to receive automated notifications prior to adult-mosquito applications. Subscribe by calling Clarke's mosquito hotline at 1-800-942-2555 or enrolling online at www.clarke.com/customer-portal-about. For additional resources on how to "Fight the Bite", visit www.lakecountyil.gov/3935/Fight-the-Bite

Volunteer to Serve Your Community

Do you have experience in architecture, landscape architecture, urban design, planning, construction, or a passion to volunteer? We want you to serve on the Architectural Review Board (ARB), Zoning Board, and Park Board. The ARB has vacancies for one full member. The Zoning Board has vacancies for one full member and one alternate member. The Park Board has vacancies for two full members and one alternate member. The Zoning Board typically meets on the second Tuesday of each month. The Park Board and ARB typically meet at 7 p.m. on the third Monday and third Tuesday of the month, respectively. Contact Leslie Cole, administrative assistant, at LCole@lincolnshireil.gov or 847-913-2336 for more information.

Not Sure if You Need a Permit? Call Us!

Lincolnshire requires permits for just about every project needing tools, except decorating (e.g., painting, trim work, and carpeting). Avoid delays and additional expenses by contacting Jay Yunker, building official, at jyunker@lincolnshireil.gov or 847-913-2318; or Carol Lustig, administrative assistant, clustig@lincolnshireil.gov or 847-913-2310 to ensure your next project has the proper permits. Save yourself a trip to Village Hall by applying and/or paying for permits online via the QR Code .

The following are some of the most popular permits during the summer season:

- **Garage/Estate Sales**
- **Driveways & Patios**
- **Fences**
- **Playsets**
- **Storage Sheds**
- **Tree Removal**

Summer Pedestrian and Bicycle Safety

Enjoy the summer weather by crossing the street at crosswalks, obeying traffic signals, and looking left-right-left for vehicles and bicyclists. If a vehicle is approaching, pedestrians should make eye contact with the driver, ensure the vehicle is stopped, and then cross the street when safe to do so. Stopped vehicles may block the view of other drivers, so make sure other lanes are clear before crossing. Bicyclists using a crosswalk should consider walking the bicycle across the street. Riding a bicycle in the crosswalk is not illegal, but walking the bicycle in the crosswalk ensures bicyclists the same rights as a pedestrian.

Vehicles also bear the responsibility in ensuring pedestrians cross the street safely. Drivers must yield to pedestrians in crosswalks and at intersections. When approaching a crosswalk, drivers should be prepared to stop, stay alert, and reduce speed. If a pedestrian is in the crosswalk, drivers should wait until the pedestrian finishes crossing. Never pass a stopped or slowing vehicle near crosswalks.
