E. The applicant for a liquor license under the provisions of this Chapter must pay the balance of the license fee for such license within fourteen (14) days from the adoption of the ordinance creating the appropriate license and authorizing its issuance to the applicant. In the event any applicant fails to pay the license fee within said fourteen (14) day period, such license shall be forfeited and the number of authorized licenses of the particular class involved is automatically reduced by one.

F. Each such license shall terminate on April 30 next following its issuance date, and renewals thereof shall be paid on or before May 1 of each ensuing year.

1. The fee to be paid shall be reduced by half for the cost of the initial license only for licenses issued during the period November 1 to April 30. The fee for any additional licenses issued to the same premises shall be the entire amount as established in the Comprehensive Fee Schedule set forth in Chapter 15 of Title 1 of this Code.

2. Nothing herein shall be construed to permit the payment of only a single license fee (including additional amounts for separate bars) and the granting of a single license for any building or buildings under a single ownership where the real parties seeking the permission to sell alcoholic liquors are separate corporate entities who are not parents, subsidiaries, or affiliates of the owner of such building or buildings. (Ord. 86-8880-17; Ord. 98-1550-12, 04/13/98)

G. No person shall be allowed to file an application for the issuance of a new liquor license more than once during any twelve (12) month period. (Ord. 86-868-05)

3-3-4-3: Ineligible Applicants:
No license shall be issued to persons who do not meet the requirements set forth in the Illinois Complied Statutes Chapter 235, Section 5/6-2 titled, “Issuance of licenses to certain persons prohibited.”

3-3-4-4: Dram Shop Insurance Requirements:
No license shall be granted to any applicant until such applicant furnishes evidence satisfactory to the Liquor Commissioner that the applicant maintains dram shop insurance which complies with this Chapter. This includes a copy of the policy or policies that such applicant is covered by a policy of dram shop insurance written by a responsible insurance company authorized and licensed to do business in the State of Illinois insuring such applicant against liability for any injury or death or loss of support which such applicant may incur under the provisions of Chapter 235, § 5/6-21, of the Illinois Compiled Statutes. Said limits for insurance coverage are subject to change whenever the maximum liability provisions in the aforementioned Chapter 235 of the Illinois Compiled Statutes are changed, it being required that insurance coverage be maintained in the same amount as the maximum liability stated in said Chapter 235. (Ord. 98-1549-11)

3-3-4-5: Issuance of License:
All applications for licenses shall be kept on file in the office of the Liquor Commissioner, and fees for all licenses shall be paid to the Village Clerk or designee who shall certify to the Liquor Commissioner the names and addresses of all licensees paying fees to him together with the class of license for which payment is made and thereupon said Liquor Commissioner shall issue the license provided for in this Chapter to all applicants who have complied with all the requirements of this Chapter.

Provided, however, no license shall be issued to any person ineligible to receive the same under the laws of the State of Illinois or the provisions of this Chapter, as from time to time amended. (Ord. 74-348-24)

3-3-4-6: Renewal Privileges:
Any licensee may renew a license at the expiration thereof provided the licensee is qualified to receive a license, and the business, club, or organization is in good standing at the time of renewal, and the premises for which such renewal license is sought are suitable for such purpose. The renewal privilege herein provided for shall not be construed as a vested right which shall in any case prevent the Board of Trustees from increasing or decreasing the number of licenses to be issued within the Village.

3-3-4-7: Transfer and License:
A. A retail liquor license shall be a purely personal privilege, good for a period not to exceed one year after issuance (unless sooner forfeited, revoked, or terminated as herein provided) and shall not constitute property; nor shall it be subject to attachment, garnishment or execution; nor shall it be alienable or transferable, voluntarily or involuntarily or subject to being encumbered or hypothecated.

B. Such license shall cease and terminate upon the death of the licensee, and shall not descend by the laws of the state of intestate succession. However the executor or administrator of the estate of any deceased licensee, and the trustee of any insolvent or bankrupt licensee, when such estate consists in part of alcoholic liquor under the order of a court of competent jurisdiction, may exercise the privileges of the deceased or insolvent or bankrupt licensee after the death of such descendant, or such insolvency or bankruptcy, until the expiration of such license, but in no event for a period longer than six months after the death, bankruptcy or insolvency of such licensee. The executor or administrator of the estate or a business representative of any deceased owner, partner or shareholder owning five percent or more of a licensed business shall immediately notify in writing the liquor and license commission of such death, and indicate what changes in ownership and/or management will result from the death.

C. When the licensee is a corporation, the license shall terminate whenever fifty percent (50%) or more of the ownership interest therein changes from that shown on the original license application. In such event, the corporation, through its officers, must make application for the issuance of a new license as provided herein. Provided, however, that the provisions of this subsection D shall not apply where the transfer of an ownership interest is made to an owner shown on the original license application who owned fifty percent (50%) or more of the ownership interest of such corporation at the time the original license application was filed.
D. When the licensee is a partnership or corporation, no change in ownership from that shown on the original application involving the withdrawal of any partner or shareholder owning in the aggregate more than five percent (5%) of the stock of such corporation shall be made without reporting such change in ownership in writing to the local Liquor Commissioner within ten (10) days of any such change in ownership. Any such change in ownership made without complying with the terms hereof shall constitute grounds for suspension of the liquor license issued to such partnership or corporation. (Ord. 86-868-05)

3-3-4-8: Change of Location, Upgrading of License, Sale of Business:
A. A retail liquor dealer’s license shall permit the sale of alcoholic liquor only in the premises described in the application and license. Such location may be changed at no additional fee provided a written request is completed, there is no change in ownership, and the request is approved by the Board of Trustees.

B. A licensee, where no change in ownership is involved, may apply for an upgrade of his liquor license and, if approved by the Board of Trustees, shall pay to the Village the difference between the new license and the fee for the initial license. If the change in liquor license classification results in a lower fee, the licensee shall not be entitled to a refund of the difference.

C. When a licensee is selling or has sold the premises for which the license was issued, and the buyer applies for a liquor license from the Village, if the Mayor and Board of Trustees find that said application conforms to the requirements of local and State law, they may authorize the reissuance of the current license to such buyer, upon the buyer’s payment to the Village as established in the Comprehensive Fee Schedule set forth in Chapter 15 of Title 1 of this Code.

3-3-4-9: Change in Personnel:
A. Any changes in partnerships, officers, directors, persons holding directly or beneficially more than five percent (5%) of the stock or ownership interest, or managers of establishments licensed under this Chapter, shall be reported in writing to the Liquor Commissioner within ten (10) days of the change. A change in on-site manager requires completion of a new manager/agent form, and that person must also submit to a fingerprint background check. All new personnel shall meet all the standards of this Chapter and must otherwise qualify to hold a liquor license. All such changes in personnel shall be subject to review by the Liquor Commissioner.

B. When a license has been issued to a partnership and a change of ownership occurs resulting in a partnership interest by one who is not eligible to hold a liquor license, said license shall terminate.

C. When a license has been issued to a corporation and a change takes place in officers, directors, shareholders of more than five percent (5%) of the stock or
managers resulting in the holding of office or such shares of stock by one who is not eligible for a license, said license shall terminate.

D. When a license has been issued to an individual, who becomes or is no longer eligible for a license, said license shall terminate.

3-3-4-10: Cessation of Business:
Any licensee who ceases to do business or closes his place of business for a period of more than thirty (30) successive days shall be subject to having his license declared forfeited and lapsed by order of the Liquor Commissioner. If any licensee desires to close the business or place of business for more than thirty (30) successive days, he shall so notify the Liquor Commissioner in writing, including the reasons therefor and requesting an extension, and the Liquor Commissioner may grant such an extension on a showing of good cause. (Ord. 74-348-24)

3-3-4-11: Licensing of Premises for which License is Revoked:
When any license hereunder shall have been revoked for any cause at the discretion of the Liquor Commissioner, no license shall be granted to any person for the period of one year thereafter for the conduct of the sale of alcoholic liquor in the premises in such revoked license. (Ord. 74-348-24)

3-3-5: EMPLOYEE REQUIREMENTS:

3-3-5-1: Employment of Minors:

However, a person less than twenty-one (21) years of age, but at least eighteen (18) years of age, may be employed as a waiter or waitess and may serve or deliver alcoholic liquor when in the presence of or under the direct supervision and control of the owner or manager/agent who is of at least twenty-one (21) years of age. Class H and I license holders must employ a person twenty-one (21) years of age or older for the purpose of selling package liquor. (Ord. 05-2005-69)

B. Prior to completing a BASSET program, all new employees shall work under the supervision of an employee who has completed the BASSET program.

C. The original or renewal license application shall be accompanied with proof of completion of BASSET training for the manager of the licensee.

D. The licensee shall be required to maintain records demonstrating proof of completion of BASSET training for each applicable employee for the term of their employment and a period of one year thereafter, in a manner that will allow inspection, upon demand, by any authorized representative of both state and local liquor control authorities.

E. It shall be unlawful for any employee of a licensee, to sell, serve, draw, pour or mix any alcoholic liquor, or check evidence of age for the purchase of alcoholic beverages, unless such employee either has completed the BASSET program or is working under the supervision of an employee who has completed the BASSET program.

F. A BASSET program must comply with and be no less comprehensive than the requirements outlined in 77 Ill. Adm. Code 3500. (Ord. 15-3363-90, Amd. Ord. 16-3405-132, eff. 07/01/2016)

5. A record must also be maintained of cash on hand and cash in the bank. Bank statement and canceled checks must also be on file.

B. For such licensees who maintain records on an accrual basis, their method of record keeping must be one conforming to the rules and regulations of the Illinois Department of Revenue.
